

NOW HIRING HORTICULTURALIST

Do you enjoy working outdoors?

Do you like working with plants?

Do you get a sense of accomplishment from a job done well?

Monsma Landscape & Maintenance has been providing creative solutions, solid service and practical advice in the Grand Rapids area for over 30 years. We are seeking energetic individuals who enjoy people and plants.

- Two years field experience preferred
- Proficiency in proper pruning techniques
- Plant knowledge and identification
- MDA certification required (or can obtain upon hire)
- Able to follow detailed instructions on multiple sites
- Ability to supervise and communicate well with others
- Clean driving record with the ability to obtain chauffer license
- Wage is based on documented experience

This is fantastic summer work where you will see and experience what it takes to be successful in our field. Contact dan@monsmalandscape.com
