

## **NOW HIRING FUTURE LANDSCAPE CREW LEADER**

*Do you enjoy working outdoors?*

*Do you like working with power equipment?*

*Do you get a sense of accomplishment from a job done well?*

Monsma Landscape & Maintenance has been providing creative solutions, solid service and practical advice in the Grand Rapids area for over 30 years. We are seeking energetic individuals who enjoy people and plants.

- Learn what it takes to lead installation projects
- Learn plant identification and proper planting techniques
- Gain experience with hardscapes
- Gain a broad knowledge & experience with equipment operations
- Learn the many details of crew management
- Have a clean driving record with the ability to obtain CDL
- Wage is based on documented experience

This is fantastic work where you will see and experience what it takes to be successful in our field. Contact [dan@monsmalandscape.com](mailto:dan@monsmalandscape.com)
